Mr. Key, from the committee, brings in and delivers to the speaker the following report:

THE committee to whom was referred the petition of John Ridout, beg leave to report the following facts: That captain Thomas Bassett, an officer in the British service, on the fourth day of November, seventeen hundred and sixty-seven, returned two certificates into the land-office of the then province of Maryland for five hundred acres of land each, the one called the Desert, the other called Grassy Cabbin; that Horatio Sharpe, then governor of Maryland, paid the caution money for the warrants in virtue of which said lands were taken up, and also compounded on the same; that afterwards the said Thomas Bassett, in the year seventeen hundred and sixty-seven, assigned all his right, title and interest, in said lands, to Horatio Sharpe, Esquire. The committee further find, that by the rules of office the governor of Maryland for the time being could not issue a grant to himself, and therefore, notwithstanding the assignment aforesaid, patents issued to Thomas Bassett for said lands, who held the same, in trust, for Horatio Sharpe, his heirs and assigns; that the state of Maryland, in remembrance of the virtuous conduct of Horatio Sharpe during his administration of the government of the province, exempted his property from the operation of the confiscation law. And they further find, that the said Horatio Sharpe, in virtue of the permission given him by the said law, afterwards conveyed all his estate in Maryland to John Ridout, in fee-simple, in virtue of which he became entitled to an equitable estate in fee in said two tracts of land, and hath always paid county taxes thereon. The committee further report, that the legal estate in fee being outstanding in Thomas Bassett, in consequence of the two patents aforesaid, information was lodged with the agent by Josias Wilton King, under an impression that the same was liable to confiscation, he being ignorant of the foregoing facts. They further report, that the informant, Josias Wilton King, hath, on his part, agreed, that the title to said two tracts of land be vested and confirmed in John Ridout, his heirs and assigns; and on consideration of all circumstances, your committee are of opinion it is reasonable, just and proper, that a law should pass to that effect, and that leave be given to bring in a bill for that purpose.

By order,

J. HARWOOD, clk.
